HOW TO USE

Find it. Cut it. Place it.

The same number connects each image piece to its board region.

1

FIND

Choose any number on the unfinished picture.

2

MATCH

Find the image piece carrying the same number.

3

CUT

Cut along the dark outline around each polygon.

4

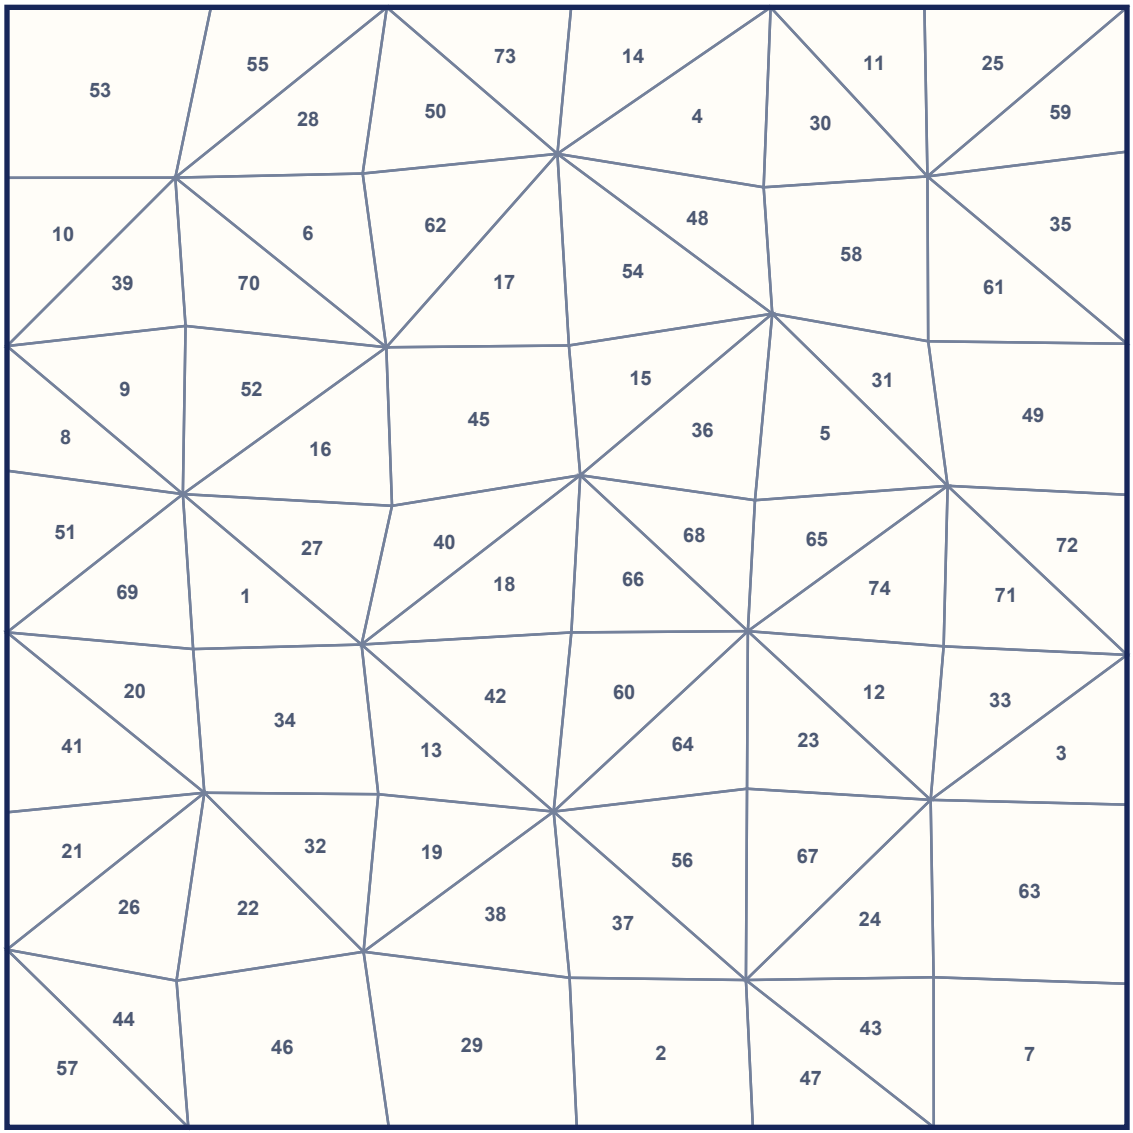

PLACE

Position the piece inside the matching numbered region.

ARTWORK 1

Numbered board - 74 pieces

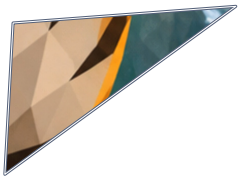

Numbers are shuffled; every region maps to one exact image piece.

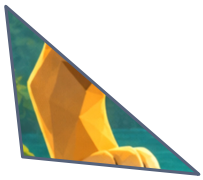

ARTWORK 1 - SHEET 1

Exact-image pieces - 74

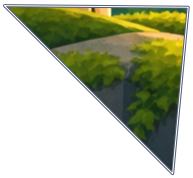

Cut each polygon, then place it on the region carrying the same number.
